	Approval Date: September 20, 2023
Amendment Date(s): September 2024	

No bitches in season shall be allowed to attend any COKC classes, competitions or other events, in the club building or on the club grounds.

Students should be encouraged to attend classes **without their dog** when they have a bitch in season. This will allow students to continue to learn the material presented at class, and to pick up copies of any handouts distributed at the class.

Exceptions to this policy must be approved in advance by the Executive.
